Homestay

Homestays are the best option to experience the culture deeper and learn further about local people. This is highly recommended for students who want to feel closer to the Irish life style, including home cooking and the opportunity of practicing the language through conversation. The student can also experience living in a very typical environment, which enriches their immersion in the local culture. Families come from a variety of backgrounds from traditional Irish families to modern-day families where both parents work. Some hosts are single professional people. Host family accommodation is on a Saturday to Saturday or Sunday to Sunday basis.

Extra night accommodation may be requested and may be offered at a nightly rate subject to availability.

Should a student wish to change Host Family, ISE will only do so after discussing the situation and reasons with both the student and the family. There is a code of conduct that must be respected between family and student on request from the Accommodation Manager. If any problem arise the Accommodation Manager will endeavour to resolve them in the best interests of the student, the family and ISE.

Distance from School

Host Families live in suburbs away from Dublin city centre close to public transport services. It is necessary for all students to travel to school by public transport. We advise all students to expect a journey time of at least 40 minutes.

Facilities

Single or twin room, Shared family bathroom, Light laundry facilities, Host families also provide 'half board', meaning breakfast and an evening meal, Monday to Friday, and breakfast, small lunch and evening meal on Saturday and Sunday. Special request (dietary, pets, children etc) must be made at the time of the initial booking. We may not be able to accommodate special requests after student has been placed.

Student Residence

Our houses are intended for individuals who really want to enjoy the student accommodation experience. All of our residences are located in safe areas of the city and most of them are close to the College. These residences are well equipped with all standard conveniences such as TV, washing machine, dishwasher, microwave, cooker and central heating. Free broadband Internet access. Our student residences are outsourced.

Security and Cleaner deposit

ISE does not charge a deposit for accommodation. The student is responsible for any damage caused to accommodation and ISE is not liable. Our Student Residence provider will charge a deposit of €100 on arrival to students staying in student residence. It is the responsibility of the student to insure the return of this deposit.

Some of our partners require €120 for the private rooms and €110 for the shared rooms as security deposit per person against possible damages. From this sum they keep €20/€10 as a cleaning fee and the rest it is returned to guests after leaving the property in the original conditions.

Distance from School

Most of our houses / apartments are located at a walking distance to Dublin city center (20 - 40 minutes by walk). Other accommodations are within 40 minutes by public transport or by bicycle. ISE do not guarantee availability only in central accommodations.

Facilities

Single, twin and multi-bedded room. Washing and cooking facilities for self-catering, high-speed Wi-Fi connection and complete bedding. Our prices include the bills (electricity, gas, water, bins) and free Wi-Fi Internet connection.
