Cost of Living

The Australian government recommends you budget around \$1660 per month for living costs. This includes your food, transport, accommodation and other living expenses.

Students who have any school-aged dependants accompanying them will be required to pay full fees at a private or government school in their city of residence.

Paymen

All fees are in Australian Dollars. Langports reserves the right to change its fees at any time. All fees are inclusive of GST where applicable.

Payment can be made by Bank Draft or International Telegraphic Bank transfer. Bank account details will be provided on each invoice.

Credit cards can also be processed but incur a 3% surcharge on all transactions. Visa and MasterCard cards accepted.

Transfer between Langports English Language College Brisbane & Gold Coast and Langports Sydney

Langports English Language College and Langports Sydney encourages students to pre-book courses at multiple campuses and will offer a \$100 travel voucher to assist with travel costs between campuses (maximum of 2 vouchers for 3 campus bookings). The minimum study period at each campus is 4 weeks. Only one enrolment fee and accommodation placement fee will be charged. If a student cancels the second campus enrolment but extends their stay in the first campus for the same number of weeks, there is no cancellation fee. However, if a student cancels their second campus and leaves Langports early then the Cancellation and refund policy will apply.

If a student has commenced their course and wishes to transfer campuses, they must give 2 weeks' notice in order to transfer and study at least 4 weeks in the next school. However, students studying a closed course are unable to transfer campuses during the closed course. The following conditions will apply:

- Transfers can only be made if there is space in the new location
- Students must have an overall attendance rate of 80% or higher to be considered for a transfer
- Transfers can only be processed and confirmed if the student has no outstanding fees.
- For some transfers, fee differences between the campuses may apply for example, some additional charges if the new campus is a higher price or a refund could apply if the new campus has a lower price. If the student enrolled at Langports English Language College Brisbane or Gold Coast or Langports Sydney with a promotion that was only applicable at one campus, then they will need to pay the difference in fees between the promotional rate and the standard rate for that country for the remainder of their enrolment in the new campus. If the student has enrolled under last year's prices but now wants to transfer to another campus then the current year's prices (published or market price) will apply.
- Any accommodation placement fee will be 50% of the normal fee if there has been no extension of enrolment weeks – minimum 4 weeks.

- If a student completes the transfer paperwork and the transfer is processed, but then the student changes their mind and stays at the original campus a processing fee of \$100 will be charged.
- If a student undertakes a transfer but then wishes to return to the original
 campus without extending their enrolment then they will incur an
 admin charge of \$100 and an accommodation placement fee will apply if
 applicable. If the student is extending their enrolment to do this then the
 admin fee does not apply.
- There must be a minimum of a 4 week enrolment extension in each new campus in order to receive a \$100 travel voucher

Terms and Conditions

Fees and Charges, Conditions and Courses

Langports reserves the right to change its fees, charges and conditions, cancel or defer courses, and to alter course timetables at any time without notice.

- Students will pay the price for their course at the current market price at the time of enrolment. Any specials offered by Langports at a later date only apply to bookings received during that special. Specials cannot be applied to previous bookings.
- All fees are in Australian Dollars and are inclusive of GST where applicable
- Any late payments may incur a late fee of \$100.00
- All transactions by Mastercard or Visa credit cards will incur a surcharge of 3%.

Invoices and Payment

For all non-student visa enrolments an invoice will be issued with a Letter of Offer. Payment in full should be made a minimum of 28 days before commencement of the study program or immediately if less than 28 days to commencement.

For all student visa enrolments of 25 weeks or less, including study programs of 25 weeks or less made up of separate courses (with individual CRICOS course codes), one invoice will be issued with a Letter of Offer and Enrolment Acceptance (EA). The EA should be signed by the student or their legal guardian, if under 18 years of age, and returned with full payment of the invoice. A Confirmation of Enrolment and an eCOE will then be issued for the visa application.

Students studying UFO English on a study program of 26 weeks or more will be issued with two invoices covering the full study program with their Letter of Offer and EA. Each invoice will include the tuition fees cost for each half of the study program. Students have the following choice in regards to payment: a) They may, if they wish, pay the full amount of both invoices or

b) They may, if they wish, pay only the first invoice to receive the eCOE and the second invoice will be due for payment no later than 8 weeks after the commencement of their course.

In both cases the EA must be signed by the student or their legal guardian, if under 18 years of age, and returned with the appropriate payment. A Confirmation of Enrolment and an eCOE will then be issued for the visa application.

The student will not be allowed to continue their study program if the second invoice has not be paid by the due date, ie 8 weeks after the commencement of their course. This may result in their eCOE being shortened and being reported to the Department of Home Affairs (DHA) and the Tuition Protection Scheme Director once all appeal processes have been completed.

Refund & Cancellation Policy

Clause 1: In the event of a cancellation, no refund will be made on the enrolment fee or accommodation placement fee.

Clause 2: All notifications of course cancellations and requests for a refund must be made to the Principal in writing. A written response will be provided in writing within 5 working days. Where a refund is granted, this will be paid within 4 weeks of the date of the notice of cancellation to the person or organization who paid the fees in the first place.

Clause 3 A study program at Langports may consist of one or more separate courses at one or more of Langports' campuses. If a study program consists of 26 weeks or more of UFO English, the program will be split into 2 study periods of 50% of the total study program for the purposes of payment, however, student can pay 100% of their tuition fees in advance if they so choose. Requests for refunds due to cancellation will only be considered in the context of the whole study program and not for individual courses, campuses or study periods.

Study Cancellation:

- Cancellations received more than 4 weeks before the study program commencement will normally receive a full refund of fees, subject to Clause 1.
- Cancellation received less than 4 weeks before the start of the study program will normally receive a refund of fees less a cancellation charge equal to 4 weeks of the current published tuition fee (or equal to 4 weeks of the tuition fees paid)
- · Cancellations received after the study program has commenced will not be eligible for a refund of fees.
- Cancellations as a result of visa rejection by the Australian Immigration authorities will be eligible for a refund of fees, subject to Clause 1 providing that proof of visa rejection has been provided to Langports within 2 weeks of the notice of visa rejection.
- A \$25 administration fee will apply to all refunds and a further \$25 administration fee will apply to any refunds made through international bank transfers (total \$50).

Homestay Cancellation:

- Cancellations received more than 4 weeks before course commencement will normally receive a full refund of fees, subject to clause 1.
- · Cancellations received less than 4 weeks before course commencement will incur a cancellation charge equal to 2 weeks rent.
- Minimum of 4 weeks homestay, unless the course is 1,2 or 3 weeks. If a student wishes to cancel their homestay within this 4 week period, no refund will be given. To cancel homestay a minimum of 2 weeks notice must be given.
- After studies have commenced, 2 weeks notice must be given or a cancellation charge equal to 2 weeks rent will apply. Any unused accommodation fees will be refunded to the student within 2 weeks of submitting a refund request form.
- If you are asked to leave the homestay for any valid reason, for example due to unacceptable behaviour such as having someone stay over without prior permission, a cancellation payment of two weeks notice will be deducted from any refund due, in lieu of two weeks notice.

Student Accommodation Cancellation

Each provider of student accommodation has a different policy. These are available on our website and will be on your offer letter.

Airport Greeting:

No refund will be made if the student fails to notify Langports of their flight details or any change of details less than 48 hours before arrival.

Cancellation of course by Langports:

If Langports cancels a course, for whatever reason, you will be offered a refund of all the tuition fees paid for that course to date. The refund will be paid to you within 2 weeks of the course cancellation. Alternatively you may be offered enrolment in another course at Langports at no extra cost to you. You have the right to choose whether you would prefer the refund of course fees or to accept a place on the alternative course. If you choose the alternative course you will be asked to sign a document to indicate that you accept the placement.

If in the unlikely event that Langports ceases to operate and is unable to provide a full refund, students on student visas will be able to access the Tuition Protection Service (TPS) which offers an on-line placement and refund service for international students affected by such provider closures.

Deferring, Suspending or Cancelling Students' enrolmentsStudents must start their course on the allocated start date unless they provide a minimum of one week's notice in writing to defer their course. If notice is less than one week or a student does not show up on the designated start date, Langports will charge one week's tuition fee and the course will not be extended by the time lost. If notice of deferment is not received within 48 hours of course

commencement, the course will be cancelled. Students can only defer their start date once without penalty. Langports is required to report any student default within 5 working days if a new start date has not been confirmed and a new eCOE issued for students on a student visa.

Students may also defer their accommodation. However, more notice must be provided by the student and or agent. For homestay, 2 weeks' notice is required to defer without charges. Student Accommodation providers may not be able to defer bookings due to availability. If Langports is provided with at least 2 weeks' notice, we can do our best to defer the booking, but it cannot be guaranteed, nor can we guarantee to maintain the price that was originally offered. If the accommodation cannot be deferred to the same provider, the cancellation policy of the accommodation option will apply.

Students are not permitted to transfer to another provider in the first 6 months of their principal course. If they are on a package visa they will be able to transfer early, having given two weeks' notice to Langports, to their next provider if they have provided evidence of having achieved the required English level to commence their next study program ahead of schedule. In this case unused tuition fees will be refunded accordingly. A valid letter of Offer from their next provider is required in order for a Letter of Release to be given. If the student is a sponsored student, written permission from their sponsor to transfer early will also be required. If the student is under 18 then parents' or guardian's written permission will be required. When a student transfers to another provider under any other circumstances, Langports Refund & Cancellation policy will apply.

Langports may suspend or cancel a student's enrolment due to extenuating circumstances or for breaches of the Student Code of Conduct (available in the Student Information Booklet). If this occurs Langports will inform the student of its intention to notify DEEWR, via PRISMS, of the change of enrolment status. The student has 20 working days in which to access Langports' internal complaints and appeals process.

If the student chooses to access Langports' appeals process, Langports must maintain the student's enrolment until the internal appeals process is completed (and has supported Langports' intention to suspend or cancel the student's enrolment). To 'maintain the student's enrolment' means Langports does not notify DEEWR of any change to the student's enrolment status through PRISMS.

The student may choose to access an external appeals process as per Langports policy, but Langports does not have to wait for the outcome of an external appeal before notifying DEEWR of the change to the student's enrolment status.

'Extenuating circumstances' relating to the welfare of the student that would allow Langports to cancel or suspend their course, may include, but are not limited to the following: The student refuses to maintain approved care arrangements (only for students under 18 years of age); is missing; has medical concerns, severe depression or psychological issues which lead the provider to fear for the student's wellbeing; has engaged or threatens to engage in behaviour that is reasonably believed to endanger the student or others; or is at risk of committing a criminal offence. Any claim of extenuating circumstances will need to be supported by appropriate evidence. Students should be aware that deferral, suspension or cancellation of his or her enrolment may affect his or her student visa.

Other Conditions of Enrolment

- Students are required to notify Langports of any change of local address or your emergency contact, while enrolled in a course, within 5 working days. Students under the age of 18 must agree to Langports' welfare arrangements outlined in a separate letter.
