## Study Schedule/Delivery Mode\*

In all of our programs, you will build a timetable which combines 6 hours per week of online study and 14 hours per week of in-class study. The online study component includes exercises and resources to help with assignments and to provide foundational academic and learning skills.

Assessment Essentials during COVID-19 will be delivered both synchronously and asynchronously to help students meet their study and learning objectives.

In-class study schedules combine the core lecture with Assessment Essentials and PASS classes. You must attend both lectures, as each lecture covers different content.

- PASS classes are Practical Assessment Support Sessions. In PASS classes, you will meet with your trainer to discuss any questions you may have about study or assessments.

- Assessment Essentials sessions provide you with information required to successfully complete your assessment tasks, navigating common mistakes that cause re-submission of your work.

*\*Due to COVID, many programs are currently being delivered online. The following weekend programs will be delivered in a hybrid format (Fridays online, and Saturdays on campus) starting July 23rd:*

*Certificate II in Workplace Skills – Sydney; Certificate III in Business – Brisbane, Melbourne, Sydney; Certificate IV in Business – Brisbane, Melbourne, Sydney; Diploma of Business – Sydney; Diploma of Project Management – Melbourne; Diploma of Leadership – Sydney; Advanced Diploma of Leadership – Sydney*

*Students are expected to have a computer or tablet that enables them to connect to the Internet in order to review material and submit assessments."*
