## INCREASE YOUR ACCURACY AND FLUENCY

### QUALIFIED AND EXPERIENCED TEACHERS

The teachers at Centre of English Studies Toronto hold university degrees and English teaching qualifications to Languages Canada standards. Our full-time instructors have an average of 12 years' experience teaching at CES Toronto, so they know how to explain English grammar clearly and answer your questions correctly.

### METHODOLOGY

The Centre of English Studies teachers will explain structure and functions of the English language, and will also set up a variety of tasks where you will communicate with other students. You will work individually, in pairs, in groups, and as a class to get great speaking practice with your classmates, focused on accuracy, as well as fluency.

### PROGRESSION

There are eight levels in the General English Program at CES Toronto. Each level has 12 weeks of curriculum, but students may progress faster. You will receive a level outline on the first day of classes that explains all of the topics you will be learning in the level.

**ENTRANCE LEVEL:** No minimum level required.

### STUDENT REVIEW

“CES has really special teachers. I like CES teachers because they always try to understand students and try to help students. The school has many different kinds of activities to make friends and speaking on activities is the best way to learn!” - Sezen, Turkey
